JURISDICTION AND VENUE

1. This court has jurisdiction over this matter and these defendants pursuant to 28 USC § 1331 for violations of the Americans with Disabilities Act of 1990 (42 USC §12101 et seq.). Pursuant to pendant jurisdiction, attendant and related causes of action, arising from the same facts, action is also brought under California law, including, but not limited to, violations of California Government Code §4450; California Health and Safety Code §19953 et seq., and applicable regulations, including but not limited to California Code of Regulations, Title 24, §19959; and California Civil Code §§ 51, 51.5, 52(a), 52.1, 54, 54.1, and 54.3. Defendant

1 Super La Favorita 2, Inc. owns and operates a business called “Super La Favorita” at 1950
2 North Texas Street, Fairfield, California in this judicial district. Defendant Super La Favorita,
3 LLC owns the real property on which this business is operated in this judicial district.

4 2. Venue is proper in this court pursuant to 28 USC §1331(b) and is founded on the fact that the

7 INTRODUCTION
8

9 3. Super La Favorita (the “Business”) is located at 1950 North Texas Street, Fairfield, California.
10 Said business is owned and operated by defendant Super La Favorita 2, Inc. The real property
11 is owned by Super La Favorita, LLC. The Business is a “public accommodation and business
12 establishment” subject to California Health and Safety Code §19953 et seq. and California
13 Civil Code §54 et seq. On information and belief, this Business has, since July 1, 1970,
14 undergone construction and/or “alterations, structural repairs, or additions,” subjecting such
15 facility to disabled access requirements per Health and Safety Code §19953 to 19959 et seq.
16 Construction and alterations since July 1, 1982 also subjected these facilities to the
17 requirements of California’s Title 24, the State Building Code. Further, irrespective of
18 alteration history, such premises are subject to the “readily achievable” barrier removal
19 requirements of Title III of the Americans with Disabilities Act of 1990.

20 4. Defendant Super La Favorita 2, Inc. operate the Business, an establishment for services to the
21 public at which business and location said defendants failed to provide barrier-free access to
22 said establishment as required under federal and California state law. Further, defendants
23 failed to provide compliance with the law as follows:

24 a. Exterior: The designated parking spaces were defective, as follows. These conditions
25 violated the Americans With Disabilities Act (“ADA”), United States Access Board
26 ADA Accessibility Guidelines (“ADAAG”). ADAAG §4.6.3 (1991 standards) (the
27 improper parking space dimensions), and §4.6.6 and §4.1.2(5)(b) (1991 standards) (the
28 lack of properly painted passenger access aisle that is 96 inches wide and a properly
painted parking space that is 18 feet long), and similarly, in violation of ADAAG
§502.3 (2010 standards). There was no proper designated disabled-accessible parking

1 space with proper access aisle next to it on the shortest accessible route to the main
2 entrance, including that there was no “van accessible” space on such route, in violation
3 of ADAAG 4.6.2 (1991) (requiring proper space and proper access aisle on the shortest
4 route), 4.1.2(b) (1991) (one in eight, but no less than one, must be “van accessible” as
5 per ADAAG 4.6.4); also under ADAS §208, §208.3.1; §502 (requirement for parking
6 space), and §502.3 (requirement for access aisle)(2010 standards). There was
7 incomplete or no proper signage for a parking space, in violation of ADAAG 4.6.4
8 (1991 standards) and ADAAG 502.6 (2010 standards). These conditions also violated
9 ADAAG 4.6.4 (1991 standards) and also violated 502.6 and 703.2.1 (2010
10 standards)(lack of proper signage, and no parking space designated “van accessible”).
11 These conditions were also in violation of California Building Code (“CBC”) 11B
12 208.3.1 (parking space not on shortest accessible route); §11B-208 (insufficient or no
13 paint to delineate the space itself or an access aisle), 11B-705.1.2.5 (lack of detectable
14 warnings at hazardous vehicle areas), 11B-502.2 (improper vehicle space dimensions,
15 in that there was not a properly laid-out access aisle), 11B-502.6.4 (faded or non-
16 existent surface identification), 11B-502.6 (“\$250 fine” sign missing; no “van
17 accessible” sign, and other required signage was missing); no space designated “van
18 accessible” (CBC 11B-208.2.4 requires one in every six spaces); and 11B-502.3.3 (“no
19 parking” was not painted in an access aisle). There were four defective disabled
20 parking spaces in this complex, all of them with incomplete signage. The access aisles
21 that are offered for the designated spaces have portions of them with slopes in excess
22 of 2%, in violation ADAAG 4.6.6 (1991 standards)(access aisle slope less than 2%),
23 ADAS 502.4 (2010 standards), and CBC 11B-502.4, 11B-206.2.1 and 11B-206.2.2
24 (path of travel must be accessible, as defined). These conditions caused plaintiff
25 difficulties in finding a safe place to park, safely exit his vehicle, and reach the
26 entrance safely due to cross traffic through the transit area. This caused plaintiff
27 legitimate concern for his own safety as he got out of his vehicle and entered the
28 facility. Also, because of the lack of a proper access aisle, plaintiff was concerned that
another vehicle could pull in and try to park next to him without realizing that a
disabled person was in the process of entering or exiting his vehicle.

- b. Exterior: The path of travel from the public sidewalk was in excess of 2%, in violation of ADAAG 4.3.7 (1991 standards)(1:20 running slope, 1:50 cross slope), ADAS 206.2.1 and 402, 402.2 (slope 1:20), and CBC 11B-206.2.1, 11B-302, 11B-402 (slope 1:20), and 11B-403 (running slope 1:20, cross slope 1:48).
- c. Interior: The restroom was not accessible for users of wheelchairs, in violation of ADAAG 4.16 (1991 standards), ADAAG 603 (2010 standards), and CBC §11B-603, and related provisions. The following barriers existed: The maneuvering space inside the restroom was too small (less than 60 inches turning space to side of toilet), in violation of ADAAG 4.16.2 (1991 standards), ADAS 304.3 (2010 standards), and CBC 11B-304.3.1. The paper towel dispenser, hand drying machine, and soap dispenser were too high, in violation of ADAAG 4.23.7 and 4.27.3 (1991 standards)(15 to 48 inches high), ADAAG 308.2.1 (2010 standards)(15 to 48 inches high), and 11B-603.5 (40 inches high). The toilet paper dispense was in the wrong position, in violation of ADAAG 4.16.6 (1991 standards), ADAAG § 604.7 (2010 standards)(7 inches minimum and 9 inches maximum in front of toilet, and 15-48 inches AFF), and CBC 11B-604.9.6 (7 to 9 inches in front of toilet and 14 to 19 inches AFF). Further, the path of travel from the main shopping area to the restroom passed through a back storage area that was not accessible due to narrow areas less than 36 inches wide and various boxes and piles of stock creating hazards and blockage in the way, in violation of ADAAG 4.3 (1991 standards), ADAS 206.2 and 206.3 (2010 standards), and CBC 11B-206.2. The inability to access and use a properly configured restroom caused plaintiff frustration, embarrassment and discomfort.
- d. Interior: The dining seating in the food service area (taco counter restaurant) was not accessible to disabled users of wheelchairs, consisting of tables that do not possess the required characteristics, including space under table for plaintiff's legs, including knee and toe clearances, and lacking the international symbol designating a table for disabled persons, in violation of ADAAG 4.32 (1991 standards)(knee spaces at least 27 inches high, 30 inches wide, and 19 inches deep shall be provided (see Fig. 45)), ADAAG 306.3 (2010 rules)(27 inches high, 30 inches wide, and 11 inches deep), and California Building Code ("CBC") §11B-226.1 and §11B-902.

- e. Interior: Some of the aisles inside the Business were too narrow and caused difficulty to move about, turn at the end of aisles, and shop. In some places, the aisles were less than 36 inches wide, and also less than 44 inches wide when serving both sides, and less than 48 inches at the turns, in violation of ADAAG 4.2 and 4.3 (1991), ADAS 403.5.1 (2010), and CBC 11B-403.5.1 and CBC 11B-403.5.2. This made it more difficult and laborious for plaintiff to move about and shop, as he had to be careful to avoid bumping into displayed products and knocking them to the floor. Also, he observed the employee of the Business watching him with concern as he moved in the narrow aisles. This made him feel embarrassed.
- 5. The above barriers interfered with Plaintiff's access to the facilities at the Business, and continue to deter plaintiff from visiting said facilities, and as a legal result, plaintiff has suffered and suffers violations of his civil rights to full and equal enjoyment of goods, services, facilities and privileges, and has suffered and will suffer embarrassment and humiliation. Pursuant to Lopez v. Catalina Channel Express, Inc., 974 F.3d 1030 (9th Cir. 2020), plaintiff, in order to plausibly show that the cost of removing an architectural barrier does not exceed the benefits under the particular circumstances, and by way of a plausible proposal for barrier removal, the costs of which, facially, do not clearly exceed its benefits, pleads the following: to remedy the parking spaces, fix the access aisles (slope), and install proper signage; these costs generally do not cost in excess of approximately five thousand dollars (\$5,000), the benefits of which will accrue to countless disabled persons over a period of years in the future. To fix the path of travel from the public sidewalk, install a ramp to lead to the edge of the shopping complex, which in turn has a breezeway in front of other businesses that leads to the entrance of the Business; estimated cost \$5,000. To fix the restroom, remedy the specific items named above, with an estimated cost of \$1,000. To fix the dining tables, buy and install compliant tables; cost \$200. To fix the aisles, move some aisles to make them wider; no cost. The dining tables can remedied for less than \$500 by buying a properly configured table. These cost estimates are based on estimates given in similar ADA cases in which plaintiff has been involved, by plaintiff's expert, Roberto Cortez, California licensed civil engineer and CAsp-certified. In normal circumstances, tax deductions and tax credits are available to defendants to do this kind of work. Each case is different, and these numbers are only estimates.

15 11. Defendants are the owners of the property and operators of the Business called Super La
16 Favorita located in the city of Fairfield, California. This business, including, but not limited to,
17 access aisles and access routes, is or forms a part of a “public accommodation or facility”
18 subject to the requirements of *California Health & Safety Code* §19953, et seq., and of
19 *California Civil Code* §§51, 52(a), 54, 54.1, et seq. On information and belief, this business, or
20 portions of it, was constructed or altered after 1990, and after January 26, 1993, which fact has
21 subjected the business to handicapped access requirements per California Code of Regulations
Title 24 (the State Building Code).

22 12. On or about January 6, 2024 (the “Visit Dates”), Plaintiff visited the Business for the purpose
23 of buying food and drink. Defendants interfered with Plaintiff’s access to the Business as set
forth herein.

24 13. Said acts and omissions denied Plaintiff legal handicapped access to the Business and its
25 facilities as required under state and federal law.

26 14. Plaintiff’s home in Fairfield, California is approximately two miles from the Business located
27 in the city of Fairfield. Plaintiff travels regularly to and through said city in this area on

1 business and pleasure trips. Plaintiff plans to return to the Business when this public

3 15. Plaintiff himself encountered the architectural barriers described herein, and/or is informed
4 and believes that the architectural barriers described herein violate the California Code of
5 Regulations and the Americans with Disabilities Act Guidelines for Buildings and Facilities
6 ("ADAAG") issued by the Department of Justice, and that they existed and continue to exist,
7 and thereby deny Plaintiff and others similarly situated full and equal access to the Business
8 facilities as set forth herein.

9 16. Defendants, and each of them, by these barriers, discriminated against Plaintiff, on the basis of
10 his physical disability, and interfered with his access to the Business and its facilities, in
11 violation of California law, including but not limited to §§51, 51.5, 54, 54.1, and in violation
12 of Title III, §302, the "Prohibition against Discrimination" provision, and §503, the

14 Act of 1990.

15 17. As a result of the actions and failure to act of defendants, and each of them, and as a result of
16 the failure to provide proper and accessible entryways, and accessible accommodations for a
17 store, Plaintiff suffered and will suffer the loss of his civil rights to full and equal access to
18 public facilities, and further has suffered in the past and will suffer in the future emotional
19 distress, mental distress, mental suffering, mental anguish, which includes shame, humiliation,
20 embarrassment, anger, chagrin, disappointment and worry, expectedly and naturally associated
21 with a person with a disability being denied access to a public accommodation, all to his
22 damages as prayed hereinafter in an amount within the jurisdiction of this court.

23 I. FIRST CAUSE OF ACTION: VIOLATION OF THE AMERICANS WITH
24 DISABILITIES ACT OF 1990 (42 USC 12101 et seq.)

25 18. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the
26 allegations contained in paragraphs 1 to 17 above and incorporates them herein as if separately
27 pled.

28 19. Pursuant to law, in 1990 the United States congress made findings per 42 USC 12101
29 regarding persons with physical disabilities, finding that laws were needed to more fully

1 protect [at that time] 43 million Americans with one or more physical or mental disabilities;
2 [that] historically society has tended to isolate and segregate individuals with disabilities;
3 [that] such forms of discrimination against individuals with disabilities continue to be a serious
4 and pervasive social problem; [that] the nation's proper goals regarding individuals with
5 disabilities are to assure equality of opportunity, full participation, independent living and
6 economic self-sufficiency such individuals; [and that] the continuing existence of unfair and
7 unnecessary discrimination and prejudice denies people with disabilities the opportunity to
8 compete on an equal basis and to pursue those opportunities for which our free society is
9 justifiably famous.

10 20. Congress stated as its purpose in passing the Americans With Disabilities Act of 1990 (42
11 USC 12102):

12 a. It is the purpose of this act (1) to provide a clear and comprehensive national mandate
13 for the elimination of discrimination against individuals with disabilities; (2) to provide
14 clear, strong, consistent, enforceable standards; (3) to ensure that the Federal
15 Government plays a central role in enforcing the standards established in this Act on
16 behalf of individuals with disabilities; (4) to invoke the sweep of Congressional
17 authority, including the power to enforce the 14th amendment and to regulate
18 commerce, in order to address the major areas of discrimination faced day to day by
19 people with disabilities.

20 21. As part of the Americans with Disabilities Act of 1990, Congress approved Title III – Public
21 Accommodations and Services Operated by Private Entities (42 USC 12181, et seq.) Among
22 the public accommodations identified under this title were “... a bakery, grocery store,
23 clothing store, hardware store, shopping center, or other sales or rental establishment.”

24 22. Pursuant to 42 USC 12182,

25 a. “No individual shall be discriminated against on the basis of disability in the full and
26 equal enjoyment of the goods, services, facilities, privileges, advantages or
27 accommodations by any person who owns, leases, (or leases to), or operates a place of
28 public accommodation.”

29 23. Among the general prohibitions against discrimination were included in 42 USC
30 12182(b)(1)(A)(i):

1 a. Denial of Participation. It shall be discriminatory to subject an individual on the basis
2 of a disability or disabilities of such individual or class, directly, or through
3 contractual, licensing, or other arrangements, to a denial of the opportunity of the
4 individual or class to participate in or benefit from the goods, services, facilities,
5 privileges, advantages, or accommodations of an entity.

6 24. Among the general prohibitions against discrimination were included in 42 USC
7 12182(b)(1)(E):

8 a. Association. It shall be discriminatory to exclude or otherwise deny equal goods,
9 services, facilities, privileges, advantages, accommodations, or other opportunities to
10 an individual or entity because of the known disability of an individual with whom the
individual or entity is known to have a relationship or association.

11 25. The acts of Defendants set forth herein were a violation of Plaintiff's rights under the ADA,
12 and the regulations promulgated thereunder, 28 Code of Federal Regulations Part 36 et seq.

13 26. Among the general prohibits against discrimination were included in 42 USC
14 12182(b)(2)(A)(i) and (ii):

15 a. Discrimination. For purposes of subsection (a), discrimination includes:

16 i. the imposition or application of eligibility criteria that screen out or tend to
17 screen out an individual with a disability or any class of individuals with
18 disabilities from fully and equally enjoying any goods, services, facilities,
19 privileges, advantages, or accommodations, unless such criteria can be shown
20 to be necessary for the provision of the goods, services, facilities, privileges,
21 advantages, or accommodations being offered;

22 ii. a failure to make reasonable modifications in policies, practices, or procedures,
23 when such modifications are necessary to afford such goods, services, facilities,
24 privileges, advantages, or accommodations to individuals with disabilities,
25 unless the entity can demonstrate that making such modifications would
26 fundamentally alter the nature of such goods, services, facilities, privileges,
27 advantages, or accommodations.

28 27. Plaintiff alleges that the facilities, policies, practices and procedure for entry to the Business
facility by persons with disabilities and their companions as established and set up by the

1 Defendants can be simply modified to eliminate disparate and discriminatory treatment of
2 persons with disabilities by properly constructing barrier-free handicapped access so as to
3 provide safe, full and equal enjoyment of the Business facilities as is enjoyed by other, non-
4 disabled, people.

5 28. The specific prohibition against retaliation and coercion is included in the Americans with
6 Disabilities Act of 1990 §503(b) and the Remedies and Procedures in §503(c):

- 7 a. Section 503(b) Interference, Coercion, or Intimidation. - It shall be unlawful to coerce,
8 intimidate, threaten, or interfere with any individual in the exercise or enjoyment of, or
9 on account of his or her having exercised or enjoyed, or on account of his or her having
10 aided or encouraged any other individual in the exercise or enjoyment of, any right
11 granted or protected by this Act.
- 12 b. Section 503(c) Remedies and Procedure. - The remedies and procedures available
13 under sections 107, 203, and 308 of this Act shall be available to aggrieved persons for
14 violations of subsections (a) and (b), with respect to Title I, Title II and Title III,
15 respectively.

16 29. Among the specific prohibitions against discrimination were included, in 42 USC

17 §12182(b)(2)(a)(iv), "A failure to remove architectural barriers, and communications barriers
18 that are structural in nature, in existing facilities ... where such removal is 3dily achievable and
19 (v) "where and entity can demonstrate that the removal of a barrier under clause (iv) is not
20 readily achievable, a failure to make such goods, services, facilities, privileges, advantages, or
21 accommodations available through such methods are readily achievable." The acts of
22 Defendants set forth herein violated Plaintiffs rights under the "ADA," 42 USC 12181 et seq.,
23 and the regulations promulgated thereunder, 28 CFA Part 36, et seq.

24 30. The removal of the barriers complained of by Plaintiff as hereinabove alleged were at all times
25 after 1990 "readily achievable." On information and belief, if the removal of all the barriers
26 complained of here together were not removable, the removal of each individual barrier
27 complained of herein was "readily achievable."

28 31. Per 42 USC §12181(9), "The term 'readily-achievable' means easily accomplishable and able
to be carried out. The statute and attendant regulations define relative 'expense' in relation to

1 the total financial resources of the entities involved, including any 'parent' companies.
2 Plaintiff alleges that properly repairing each of the items that Plaintiff complains of herein is
3 readily achievable, including, but not limited to, correcting and repairing the items set forth in
4 the Paragraphs above. The changes needed to remove barriers to access for the disabled were
5 and are readily achievable by the defendants under standards set forth under 42 USC §12181 of
6 the Americans with Disabilities Act of 1990. (Further, if it were not "readily achievable" for
7 defendants to remove all such barriers, defendants have failed to make the required services
8 available through alternative methods, although such methods are achievable as required by 42
9 USC §12181(b)(2)(a)(iv)(, v).)

10 **32.** Pursuant to the Americans with Disabilities Act of 1990, §308 (42 USC §12188 et seq.),
11 Plaintiff is entitled to the remedies and procedures set forth in the Civil Rights Act of 1964
12 §204(a), (42 USC §2000a-3(a)), as Plaintiff is being subjected to discrimination on the basis of
13 disability in violation of this title and/or Plaintiff has reasonable grounds for believing that he
14 is about to be subjected to discrimination in violation of the Americans with Disabilities Act of
15 1990, §302. Plaintiff cannot return to or make use of the subject Business' public facilities
16 complained of herein for the purpose of entry and provision of goods and service so long as
17 Defendants continue to apply eligibility criteria, policies, practices that screen out and refuse
18 to allow entry and service to persons with disabilities such as Plaintiff's.

19 **33.** Each of Defendants' acts and omissions of failing to provide barrier-free handicapped access
20 for Plaintiff, were tantamount to interference, intimidation, and coercion pursuant to the
21 Americans with Disabilities Act of 1990 §503(b) (now 42 USC §12203): "It shall be unlawful
22 to coerce, intimidate, threaten, or interfere with any individual in the exercise or enjoyment of,
23 or on account of his or her having aided or encouraged any other individual in the exercise or
24 enjoyment of, any right granted or protected by this Act."

25 **34.** Pursuant to the Americans with Disabilities Act of 1990 §308(a)(1) (now 42 USC §12188),
26 "Nothing in this section shall require a person with a disability to engage in a futile gesture if
27 such person has actual notice that a person or organization covered by this title does not intend
28 to comply with its provisions." Pursuant to this last section, Plaintiff, on information and

1 belief, alleges that defendants have continued to violate the law and deny the rights of Plaintiff
2 and other disabled persons to access this public accommodation for the purpose of dining.
3 Therefore, Plaintiff seeks injunctive relief pursuant to §308(a)(2) "...Where appropriate,
4 injunctive relief shall also include requiring the provision of an auxiliary aid or service,
5 modifications of a policy, or provision of alternative methods, to the extent required by this
6 title."

7 35. Plaintiff seeks relief pursuant to remedies set forth in §204(a) of the Civil Rights Act of 1964
8 (42 USC §2000a-3(a)), and pursuant to federal regulations adopted to implement the
9 Americans with Disabilities Act of 1990, including, but not limited to, an order granting
10 injunctive relief and attorneys' fees. Such attorneys' fees, "including litigation expenses and
11 costs," are further specifically provided for by §505 of Title III.

12 WHEREFORE, Plaintiff prays for damages as hereinafter stated.

13

14 II. SECOND CAUSE OF ACTION: BREACH OF STATUTORY PROTECTIONS FOR
15 PERSONS WITH PHYSICAL DISABILITIES (California Health and Safety Code
16 §19955 et seq.)

17

18 36. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the
19 allegations contained in paragraphs 1 to 35 above and incorporates them herein as if separately
20 pled.

21 37. California Health & Safety Code §19955 provides in pertinent part: "The purpose of this part
22 is to insure that public accommodations or facilities constructed in this state with private funds
23 adhere to the provisions of Chapter 7 (commencing with Sec. 4450) of Division 5 of Title 1 of
24 the Government Code. For the purposes of this part "public accommodation or facilities"
25 means a building, structure, facility, complex, or improved area which is used by the general
26 public, and shall include auditoriums, hospitals, theaters, hotels, motels, stadiums, and
27 convention centers. When sanitary facilities are made available for the public, clients or

1 employees in such accommodations or facilities, they shall be made available for the
2 handicapped.

3 38. California Health & Safety Code §19956, which appears in the same chapter as §19955,
4 provides in pertinent part, "accommodations constructed in this state shall conform to the
5 provisions of Chapter 7 (commencing with Section 4450) of Division 5 of Title 1 of the
6 Government Code... ." California Health and Safety Code §19956 was operative July 1, 1970,
7 and is applicable to all public accommodations constructed or altered after that date. On
8 information and belief, portions of the subject Business building and facilities were
9 constructed and/or altered after July 1, 1970, and substantial portions of said building and
10 facilities had alterations, structural repairs, and/or additions made to such public
11 accommodation after July 1, 1970, thereby requiring said public accommodations and/or
12 buildings to be subject to the requirements of Part 5.5, California Health Safety Code §19955,
13 et seq., upon such alteration, structural repairs or additions per California Health and Safety
14 Code §19955.

15 39. Pursuant to authority delegated by the California Government Code, the State Architect
16 promulgated regulations for the enforcement of these Code provisions. Effective January 1,
17 1988, Title 24 of the California Administrative Code adopted the California State Architect's
18 Regulations, and these regulations must be complied with as to any alterations and/or
19 modifications of the Business' facilities after that date. Construction changes occurring prior
20 to this date but after July 1, 1970, triggered access requirements pursuant to the "ASA"
21 requirements, the American Standards Association Specifications, A117.1 -1961. On
22 information and belief, at the time of the construction modification and of the Business'
23 building and facilities, all buildings and facilities covered were required to conform to each of
24 the standards and specifications described in the American Standards Association
25 Specifications and/or those contained in Title 24 of the California Administrative Code (now
26 known as Title 24, California Code of Regulations.)

27 40. Public facilities such as the subject Business are public accommodations or facilities within
28 the meaning of California Health and Safety Code §19955.

1 41. It is difficult or impossible for persons with physical disabilities who use wheelchairs, canes,
2 walkers and service animals to travel about in public to use a store with the defects set forth
3 above as required by Title 24 of the California Code of Regulations and the Americans with
4 Disabilities Act Access Guidelines (ADAAG). Thus, when public accommodations fail to
5 provide handicap accessible public facilities, persons with disabilities are unable to enter and
6 use said facilities, and are denied full and equal access to and use of that facility that is
7 enjoyed by other members of the general public.

8 42. Plaintiff, and other similarly situated persons with physical disabilities whose physical
9 conditions require the use of wheelchairs, canes, walkers and service animals, are unable to
10 use public facilities on a “full and equal” basis unless each such facility is in compliance with
11 the provisions of the California Health & Safety Code §19955, et seq. Plaintiff is a member of
12 that portion of the public whose rights are protected by the provisions of California Health &
13 Safety Code §19955, et seq.

14 43. The California Health and Safety Code was enacted to “ensure that public accommodations
15 and facilities constructed in this state with private funds adhere to the provisions of Chapter 7
16 (commencing with §4450) of Division 5 of Title 1 of the Government Code.” Such “public
17 accommodations” are defined to include stores like this one.

18 44. Plaintiff is further informed and believes that as of the date of filing this complaint,
19 Defendants have not made accessible the facilities at the Business as set forth above.

20 45. Plaintiff, is informed and believes, and therefore alleges, that Defendants, and each of them,
21 caused the subject buildings and facilities constituting the Business to be constructed, altered
22 and maintained in such a manner that persons with physical disabilities were denied full and
23 equal access to, within and throughout said buildings and were denied full and equal use of
24 said public facilities, and despite knowledge and actual and constructive notice to such
25 Defendants that the configuration of the store, and/or buildings was in violation of the civil
26 rights of persons with physical disabilities, such as Plaintiff. Such construction, modification,
27 ownership, operation, maintenance and practices of such public facilities are in violation of
28

1 law as stated in Part 5.5, California Health & Safety Code §19955, et seq., and elsewhere in
2 the laws of California.

3 46. On information and belief, the subject building constituting the public facilities of the Business
4 have denied full and equal access to Plaintiff and other persons with physical disabilities in
5 other respects due to non-compliance with requirements of Title 24 of the California Code of
6 Regulations and the California Health & Safety Code §19955, el seq.

7 47. The basis of Plaintiff's aforementioned information and belief is the various means upon which
8 Defendants must have acquired such knowledge, including, but not limited to, this lawsuit,
9 other access lawsuits, communications with operators of other stores, and other property
10 owners regarding denial access, communications with Plaintiff and other persons with
11 disabilities, communications with other patrons who regularly visit there, communications
12 with owners of other businesses, notices and advisories they obtained from governmental
13 agencies through the mails, at seminars, posted bulletins, television, radio, public service
14 announcements, or upon modification, improvement, alteration or substantial repair of the
15 subject premises and other properties owned by these Defendants, newspaper articles and trade
16 publications regarding the Americans with Disabilities Act of 1990, and other access law, and
17 other similar information. The scope and means of the knowledge of each defendant is within
18 each defendant's exclusive control and cannot be ascertained except through discovery.

19 48. As a result of Defendants' acts and omissions in this regard, Plaintiff has been required to incur
20 legal expenses and hire attorneys in order to enforce his civil rights and enforce provisions of
21 the law protecting access for persons with physical disabilities and prohibiting discrimination
22 against persons with physical disabilities, and to take such action both in his own interests and
23 in order to enforce an important right affecting the public interest. Plaintiff, therefore, seeks
24 damages in this lawsuit for recovery of all reasonable attorneys' fees incurred, pursuant to the
25 provisions of the California Code of Civil Procedure §1021.5. Plaintiff additionally seeks
26 attorneys' fees pursuant to California Health & Safety Code §19953 and California Civil Code
27 §§54.3.

1 49. Defendants, and each of them, at times prior to and including the Visit Dates, and continuing
2 to the present time, knew or should have known that persons with physical disabilities were
3 denied their rights of equal access to all portions of this public facility. Despite such
4 knowledge, or negligence with respect to such knowledge, Defendants failed and refused to
5 take steps to comply with the applicable handicapped access statutes; and despite knowledge
6 of the resulting problems and denial of civil rights thereby suffered by Plaintiff and other
7 similarly situated persons with disabilities, including the specific notices referred to in this
8 Complaint. Defendants have failed and continue to fail to take action to grant full and equal
9 access to persons with physical disabilities in the respects complained of hereinabove.

10 Defendants and each of them have carried out a course of conduct of refusing to respond to, or
11 correct complaints about, denial of handicap access, or have been negligent in their obligations
12 under the law.

13 50. Defendants' actions have also been oppressive to persons with physical disabilities and to other
14 members of the public, and have evidenced actual or implied malicious intent towards those
15 members of the public, such as Plaintiff and other persons with physical disabilities who have
16 been denied the proper access they are entitled to by law. Further, Defendants' refusals on a
17 day-to-day basis to correct these problems evidences despicable conduct in conscious
18 disregard for the rights of Plaintiff and other members of the public with physical disabilities.

19 51. As a result of the actions and failure of Defendants, and each of them, and as a result of the
20 failure to provide proper accessible public facilities, Plaintiff was denied his civil rights,
21 including his right to full and equal access to public facilities, was embarrassed and
22 humiliated, suffered psychological and mental injuries and emotional distress, mental distress,
23 mental suffering, mental anguish, which includes shame, humiliation, embarrassment, anger,
24 chagrin, disappointment and worry, naturally associated with a person with a physical
25 disability being denied access to a public accommodation.

26 WHEREFORE, Plaintiff prays for damages as hereinafter stated.

1 III. THIRD CAUSE OF ACTION: VIOLATION OF CALIFORNIA'S CIVIL RIGHTS
2 ACTS (California Civil Code §§54, 54.1 and 54.3)
3

4 52. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the
5 allegations contained in paragraphs 1 to 51 above and incorporates them herein as if separately
6 pled.

7 53. The public facilities above-described constitute public facilities and public accommodations
8 within the meaning of California Health and Safety Code §19955 et seq. and are facilities to
9 which members of the public are invited. The aforementioned acts and omissions of
10 defendants, and each of them, constitute a denial of equal access to and use and enjoyment of
11 these facilities by persons with disabilities, including Plaintiff. Said acts and omissions are
12 also in violation of the provisions of Title 24 of the California Code of Regulations.

13 54. The rights of Plaintiff, the entitlement of Plaintiff to full and equal access, and the denial by
14 defendants of such rights and entitlements are set forth in California Civil Code §§54, 54.1 and
15 54.3, to wit:

16 a. Individuals with disabilities shall have the same right as the ...general public to full and
17 free use of the streets, highways, sidewalks, walkways, public buildings, public
18 facilities, and other public places. (California Civil Code §54(a).)

19 b. Individuals with disabilities shall be entitled to full and equal access, as other members
20 of the general public, to accommodations, advantages, facilities, and privileges of all
21 common carriers, airplanes, motor vehicles, railroad trains, motor buses, streetcars,
22 boats, or any other public conveyances or modes of transportation (whether private,
23 public, franchised, licensed, contracted, or otherwise provided), telephone facilities,
24 adoption agencies, private schools, hotels, lodging places, places of public
25 accommodation, amusement or resort, and other places to which the general public is
26 invited, subject only to the conditions and limitations established by law, or state or
27 federal regulation, and applicable alike to all persons. (California Civil Code §54.1(a).)

28

1 55. On or about the Visit Dates, Plaintiff suffered violations of California Civil Code §§54 and
2 54.1 in that he was denied full and equal enjoyment of the goods, services, facilities and
3 privileges of the Business as set forth in herein above. Plaintiff was also denied full and equal
4 access to other particulars, including, but not limited to, those described herein above. Plaintiff
5 was also denied use of facilities that he was entitled to under Title III of the Americans with
6 Disabilities Act of 1990.

7 56. As a result of the denial of full and equal enjoyment of the goods, services, facilities and
8 privileges of Defendants' Business due to the acts and omissions of Defendants, and each of
9 them, in owning, operating and maintaining this subject Business as a public facility, Plaintiff
10 has suffered a violation of his civil rights, including, but not limited to, rights under California
11 Civil Code §§54, 54.1, and 54.3, and has suffered and will suffer an injury-in-fact in the form
12 of emotional distress, mental distress, mental suffering, mental anguish, which includes shame,
13 humiliation, embarrassment, anger, chagrin, disappointment and worry, expectedly and
14 naturally associated with a disabled person's denial of full and equal enjoyment of goods,
15 services, and privileges, all to his damages as prayed hereinafter in an amount within the
16 jurisdiction of this court. Defendants' actions and omissions to act constituted discrimination
17 against Plaintiff on the sole basis that Plaintiff is disabled.

18 57. Plaintiff seeks statutory damages for the violation of his rights as a disabled person that
19 occurred on or about the Visit Dates, according to proof, pursuant to California Civil Code
20 §54.3.

21 58. As a result of Defendants' acts and omissions in this regard, Plaintiff has been required to incur
22 legal expenses and hire attorneys in order to enforce his rights and enforce provisions of the
23 law protecting the full and equal enjoyment of goods, services, facilities, privileges of public
24 facilities by the disabled, and those individuals associated with or accompanied by a person
25 with disabilities, and prohibiting discrimination against the disabled. Plaintiff, therefore, seeks
26 recovery in this lawsuit for all reasonable attorneys' fees incurred pursuant to the provisions of
27 California Civil Code §51, 52, and 54. (California Civil Code §55 is specifically not invoked.)
28 Additionally, Plaintiff's lawsuit is intended not only to obtain compensation for damages to

1 Plaintiff, but also to compel the Defendants to make their goods, services, facilities and
2 privileges available and accessible to all members of the public with physical disabilities,
3 justifying public interest attorneys' fees pursuant to the provisions of California Code of Civil
4 Procedure §1021.5.

5 59. The acts and omissions of Defendants in failing to provide the required accessible facilities
6 subsequent to the enactment date and compliance date of the Americans with Disabilities Act
7 of 1990 and refusal to make remedial alterations to their facilities and other elements as
8 hereinabove stated, after being notified by patrons before and after the time of Plaintiff's visit
9 and injuries, on or about the Visit Dates, and all times prior thereto, with the knowledge that
10 persons with disabilities would enter Defendants' premises, the reason given therefor, was an
11 established policy, practice, and procedure of refusing and denying entry and/or use of
12 facilities, thereby denying services to a person with disabilities and the companions thereor,
13 evidence malice and oppression toward Plaintiff and other disabled persons.

14 60. Plaintiff seeks injunctive relief pursuant to California Civil Code §54 and Health and Safety
15 Code §19953 et seq. to require Defendants to comply with federal and state access regulations.

16 61. Defendants have failed to establish a non-discriminatory criteria, policy, practice and
17 procedure for entry into said Business as hereinabove described.

18 62. As a result of defendants' continuing failure to provide for the full and equal enjoyment of
19 goods, services, facilities and privileges of said Business as hereinabove described, Plaintiff
20 has continually been denied his full and equal enjoyment of the subject store facilities at the
21 Business, as it would be a "futile gesture to attempt to patronize" said Business with the
22 discriminatory policy in place as hereinabove described.

23 63. The acts and omissions of Defendants as complained of herein in failing to provide the
24 required accessible facilities subsequent to the enactment date and compliance date of the
25 Americans with Disabilities Act of 1990 and refusal to make remedial modifications and
26 alterations to the architectural barriers as stated herein and in failing to establish practices,
27 policies and procedures to allow safe access by persons who are disabled are continuing on a
28 day-to-day basis to have the effect of wrongfully and willfully excluding Plaintiff and other

1 members of the public who are disabled from full and equal enjoyment of the subject Business
2 as hereinabove described. Such acts and omissions are the continuing cause of humiliation and
3 mental and emotional suffering of Plaintiff in that these actions continue to treat Plaintiff as an
4 inferior and second class citizen and serve to discriminate against him on the sole basis that he
5 is disabled. Plaintiff is unable so long as such acts and omissions of defendants continue, to
6 achieve full and equal enjoyment of the goods and services of said Business as described
7 hereinabove. The acts of Defendants have legally caused and will continue to cause irreparable
8 injury to Plaintiff if not enjoined by this court.

9 64. Wherefore, Plaintiff asks this court to preliminarily and permanently any continuing refusal by
10 Defendants to permit entry to said Business and to serve Plaintiff or others similarly situated,
11 and to require Defendants to comply forthwith with the applicable statutory requirements
12 relating to the full and equal enjoyment of goods and services as described hereinabove for
13 disabled persons. Plaintiff further requests that the court award statutory costs and attorneys'
14 fees to Plaintiff pursuant to California Code of Civil Procedure §1021.5, all as hereinafter
15 prayed for.

16
17 WHEREFORE, Plaintiff prays for statutory damages, reasonable attorneys' fees and costs of suit, as
18 allowed by statute and according to proof.

19
20 IV. FOURTH CAUSE OF ACTION: VIOLATION OF CALIFORNIA UNRUH CIVIL
21 RIGHTS ACT (California Civil Code §51 and §51.5.)

22
23 65. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the
24 allegations contained in paragraphs 1 to 64 above and incorporates them herein as if separately
25 pled.

26 66. Defendant' acts and omissions as specified with regard to the discriminatory treatment of
27 Plaintiff, on the basis of his disabilities, have been in violation of California Civil Code §§51
28 and 51.5, the Unruh Civil Rights Act, and have denied to Plaintiff his rights to "full and equal

1 accommodations, advantages, facilities, privileges or services in all business establishments of
2 every kind whatsoever.”

3 67. California Civil Code §51 also provides that “[a] violation of the right of any individual under
4 the Americans with Disabilities Act of 1990 (Public Law 101-336) shall also constitute a
5 violation of this section.”

6 68. California Civil Code §51.5 also provides that “[no business establishment of any kind
7 whatsoever shall discriminate against, boycott, or blacklist, refuse to buy from, sell to, or trade
8 with any person in this state because of the race, creed, religion, color, national origin, sex,
9 disability of the person or of the person's partners, members, stockholders, directors, officers,
10 managers, superintendents, agents, employees, business associates, suppliers, or customers.”

11 69. As a result of the violation of Plaintiffs civil rights protected by California Civil Code §§51
12 and 51.5, Plaintiff is entitled to the rights and remedies of California Civil Code §52,
13 consisting of statutory damages, as well as reasonable attorneys' fees and costs, as allowed by
14 statute, according to proof. California Civil Code §55 is specifically not invoked by plaintiff.

15 70. Pursuant to California Code of Civil Procedure §425.50: (a) this complaint is NOT filed on
16 behalf of a high-frequency litigant, as defined; (b) 3; (c) shopping and dining in the Fairfield,
17 CA area; (d) to buy food and drink items from this store.

18 71. WHEREFORE, Plaintiff prays that this court award statutory damages and provide relief as
19 follows:

20
21 PRAYER FOR RELIEF

22 Plaintiff prays that this court award statutory damages and provide relief as follows:

23
24 1. Grant injunctive relief requiring that Defendants establish a nondiscriminatory
25 criteria policy, practice and procedure permitting entry into the subject Business in
26 the City of Fairfield, California, for the purpose of obtaining the goods and services accorded
27 therein according to California Civil Code §§51, 51.5, 52, 54, 54.1, and 54.3, California Health and
28 Safety Code §19953 et seq., and Title III of the Americans with Disabilities Act of 1990, and grant

1 injunctive relief requiring that Defendants repair and render safe to disabled persons, and otherwise
2 make accessible, all public areas of the Business' store, including, but not limited to, each of the
3 barriers to access identified above, and make such facilities "readily accessible to and usable" by
4 individuals with disabilities according to the standards of Title 24 of the California Administrative
5 Code, California Health & Safety Code §19955 et seq., and Title III of the Americans with
6 Disabilities Act of 1990 and the standards of ADAAG; and prohibiting operation of the Business
7 located in the City of Fairfield, California, as a public facility until Defendants provide full and
8 equal enjoyment of goods and services as described hereinabove to disabled persons, including
9 Plaintiff.

- 10 2. Statutory damages, according to proof, pursuant to California Civil Code §52, and statutory
11 damages, according to proof, pursuant to California Civil Code §54.3. Plaintiff
12 acknowledges that statutory damages cannot be claimed under both the Unruh Act and the
13 California Disabled Persons Act; he will make an election before or at trial in this respect.
- 14 3. Prejudgment interest on all damages to the extent permitted by law;
- 15 4. Remedies and Procedures available under Americans with Disabilities Act of 1990,
16 including but not limited to §§107,203 and 308.
- 17 5. Award Plaintiff all litigation expenses, all costs of this proceeding and a reasonable
18 attorneys' fees as provided by law, including, but not limited to, those recoverable pursuant
19 to the provisions of California Civil Code §§52 and 54.3, California Code of Civil
20 Procedure §1021.5, and Americans with Disabilities Act of 1990 5308 of Title III; and
- 21 6. Grant such other and further relief as the court may deem just and proper.
